### Electronic Engineer

---

#### SUMMARY

- **Name:** Luiz Eduardo Prado de Oliveira.
  - **Age:** 22 years old.
  - **Location:** Piraquara, Paraná.
  - I have no difficulty commuting to Curitiba.
  - I am looking for an internship related to the electronics/electrical field.
  - I enjoy studying, am eager to learn, and want to grow in the job market.
- 

#### ACADEMIC BACKGROUND

##### Federal University of Technology – Paraná (UTFPR):

- Bachelor's Degree in Electronic Engineering (Undergraduate).
- Current period: 7th semester | Start: August 2021 | Expected Graduation: December 2026.

##### Achievements at university:

- Absolute Coefficient of Performance: 0.8841.
  - Electrical Circuits Monitor at UTFPR during the second semester of 2023.
  - Volunteer Treasurer of the Electronic Engineering Academic Center, April 2024 - April 2025.
- 

#### SKILLS

- **Software:** Electrical and digital circuit simulators, compilers, CAD software, MATLAB, OverLeaf, Microsoft Office (Advanced Excel; Intermediate Word, PowerPoint, and Outlook).
  - **Programming Languages:** C, Python, VHDL, and Assembly.
  - **Operating Systems:** Windows and Linux.
- 

#### PROFESSIONAL EXPERIENCE

##### Internship in Free Energy Market Migration

**Company:** Smart Gestão de Energia e Consultoria;

**Duration:** Mar/2024 to Oct/2024 (8 months).

- Was responsible, along with a team, for migrating clients to the free energy market and handling related customer requests regarding their energy distributors.
  - Worked in the company's Back Office, dealing directly with clients, CCEE, ANEEL, ONS, and energy distributors and suppliers in Brazil.
  - Software used for client migration management: Excel, Outlook, Pipefy, and CCEE operations platform.
- 

#### LANGUAGES

- Portuguese: Native;      English: Advanced.
-
